

All scales displayed in this catalogue meet or exceed the Directive for Non Automatic Scales in Medicine number 2009/23/EC Medical Device Directive 93/42/EEC. The directive states that scales used for weighing patients for the purpose of monitoring, diagnosis and medical treatment must be approved. This is regardless of the location where the patient is weighed. All scales meeting this directive carry a green **M** label, CE mark and the four digit number of the authorised testing body.
